Damage and Claim

All products are carefully examined before packaging for shipment. Ownership of your product passes to you upon pick-up by the carrier at our factory. Upon receipt of your order, check for any physical damage to the product (even if the carton is unmarked) that may have occurred during transit. Note any physical damage on all copies of the bill of lading and enter a freight claim with the carrier immediately. If you discover damage while unpacking, arrange for a carrier inspection immediately. Any damage, visible or concealed, must be reported to the carrier within 15 days from delivery. Our customer service people would be pleased to help you in any way during the process.

Cancellations, Returns and Changes

Orders are in process once acknowledged and may not be canceled without our consent. You may be responsible for work in process and administration costs including labor and raw materials.
