What's New 2012

twenty2

Durable, mobile seating for everyone

A nesting chair that goes anywhere and seats anyone. The 22" wide seat offers generous comfort and is tested up to 500 lbs. Seat folds up and chairs nest together. Twenty2 seats and backs are available upholstered or in 3 poly colors.

Conrad Marini

Twenty2 was designed by Conrad Marini and the Spec Design Team. Conrad is founder and Director of CMM Design Associates. Conrad has designed and developed successful products for major North American and European office furniture companies.

sidekick.

A reliable Sidekick is hard to find

Today's functional work and public spaces must connect with the people using them. Like a dependable sidekick, this new addition to the Spec family provides you with a new occasional table or a perch for guests. Available in various sizes, shapes and of course...Spec's unlimited color and finish options!

Midland Freestanding Tables

Round, Square and Rectangular freestanding lounge tables are available to complement the Midland public seating series. Midland, with its lighter, more residential feel is an exciting addition to any room environment.

Thermofoil Table Tops

Available with a quarter round edge

Spec provides a variety of Thermofoil table tops in several sizes and finishes.

This seamless durable surface offers enhanced protection from stains and bacteria. Thermofoil tops are excellent for use in healthcare, public, and office environments.

Corian Tops

Ideal for Healthcare Facilities!

Durable and non-porous, Corian tops are ideal for healthcare environments.

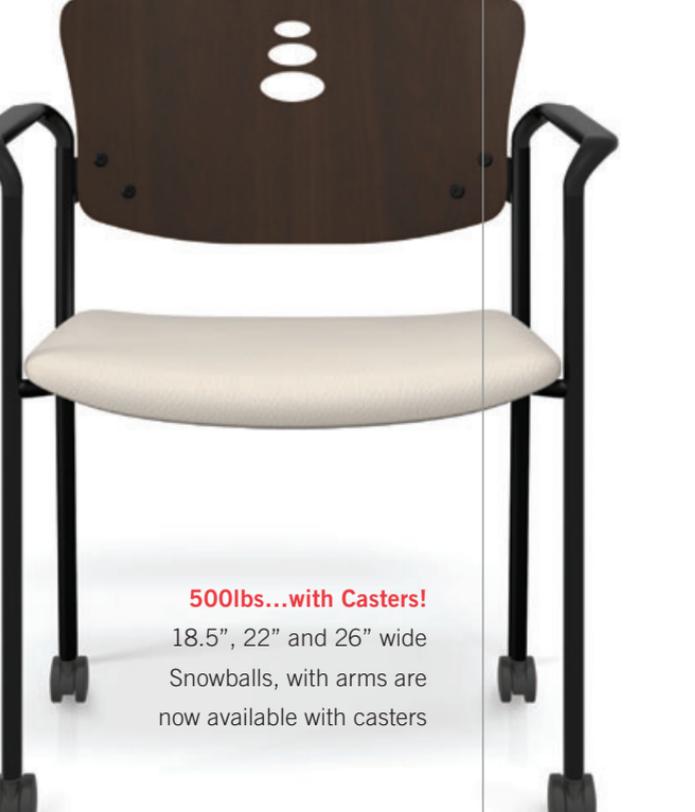

This surface does not absorb liquids or chemicals, nor will it harbor bacteria or fungal growth.

Available with flat, bullnose or wedge edge profile. Choose from an array of colors.

New Standard Wood Stain

Pecan is a progressive calming wood stain that has become very popular! It's now available for all Spec table and seating products. Best laminate match is Formica Pecan Woodline #5883-58. Spec now offers 7 standard wood stains...and custom stains are always available at no upcharge. Just ask!

500lbs...with Casters!

18.5", 22" and 26" wide Snowballs, with arms are now available with casters

Snowball Enhancements

With more Recycled Content!

Midsize and Bariatric Snowball designs are now standard with our 100% recycled plastic seat pan, containing 55% post-consumer content. It has a clean finished look and further aligns Spec with BIFMA level®.

Mho® Module

Mho® a new upscale table top power and data solution with a fluid one touch door that remains open during use. The Mho® module allows for HDMI and VGA/Stereo connections along with power, data and telephone. Works with Spec's Tap-in-Powerway.

2mm Bio Edge

Now available in 38 RAL Colors

2MM edge is square, minimizing the gap between tables when placed together. It has the impact durability of PVC with a profile similar to self edge. 2mm edge has a bio-based content of 88% which is made from rapidly renewable non-food stock corn. Contains no hazardous chemicals, emits no toxic VOC's and is recyclable.

Antimicrobial Finish

Spec offers an optional Nickel Antimicrobial Coating on metal frames suited for public, healthcare, and education environments. The Antimicrobial Coating minimizes the risk of spreading infectious diseases by inhibiting the growth of bacteria, mold, and mildew.
