### Ark Base

The Ark Base Series is designed to work with all Spec standard table sizes, options and features. Available in X, X4, T, C and double column base designs.

Ark Bases are available in any of 76 Spectone colors. Edges are available in PVC with a flat or bullnose profile, self edge, waterfall or hardwood edge. Tops can be specified in veneer or any Wilsonart, Nevamar, Pionite, Formica and Arborite standard laminate. Need power or communication? Ark Base tables offer a complete range of power and communication options for training environments.

Ark with Flip6 (nested)

### Flip6 brings them together

Combine the ultra thin Flip6 mechanism with the Ark Base for the tightest nesting option available – less than 6 inches between tables!
