## A fresh, softer look for a tough category

The proven performance of Spec's Companion Series assures warmth, durability, value and an unbeatable array of options and features. From the basics - safety, long life, separate seat and back, and low maintenance - to innovative features like a wall-saving frame, Easy Grip arms, and optional seat pitches, Companion stands out as a superior solution. Thousands of Companion installations are hard at work throughout North America. As always with Spec; custom orders are encouraged, we provide four to six week shipping on all orders, and Companion comes with our *Lifetime Structural Warranty*.

## Sustainability

- Spec is fully committed to “level™”, the BIFMA sustainability standard
- Companion’s frame contains a minimum of 25% recycled steel and is protected by a durable powder coat finish that is 99.9% VOC-free and fully recyclable
- Seats and backs use environmentally responsible foam that is 25% plant-based
- Wood arms are protected by Spec’s water-based, low VOC emitting, highly durable UV cured finish
- All wood is FSC certified
- Spec’s innovative seat shells are made of 100% recycled plastic of which 55% is post consumer
- Fabrics and vinyls with minimal environmental impact are available
- Companion helps achieve LEED credits
