It Feels Right

Dwight, Bala, Mission, Huntsville, Bracebridge and Midland

Six award-winning designs that bring the softer, less institutional look of wood to high performance – from Spec Furniture, renowned for superior public seating, with products at work across North America.

Choose from six distinctive frames, each offering countless options, choices and scales. All designs are offered in one, two or three seaters, freestanding or connected, with wood or polyurethane arms.

6100 Dwight

6200 Bala

6500 Bracebridge

A Complete Solution

From public area to patient room

Every series in the Cooper Collection offers the opportunity to create a solution as unique as your space. Cooper's enormous range of choices includes easy access hip chairs, rockers, bariatric, highback patient chairs, matching ottomans, loveseats, panel arms, benches, freestanding lounge tables, end tables, corner tables and spacer tables, all featuring a 10 year structural warranty.

6300 Mission

6400 Huntsville

6200 Bala with Bariatric

Durability Meets Design

With leading edge protection

SpecGuard, Spec's own environmentally friendly water-based finish provides durability with antimicrobial and antifungal protection. The Cooper Collection comes standard in six finishes or stain-to-match at no upcharge. Spec finishes are state-of-the-art and withstand the harshest of today's cleaning solutions.

6500 Bracebridge

6700 Midland

6400 Huntsville with Bariatric

6700 Midland Loveseat with 42" wide seat

6700 Midland Highback

6200 Bala Highback

Sustainability

- Spec is fully committed to “level™”, the BIFMA sustainability standard
- The 6100 Dwight frame contains a minimum of 25% recycled steel and is protected by a durable powder coat finish that is 99.9% VOC-free and fully recyclable
- Cooper Series wood frames are protected by Spec’s water-based, low VOC emitting, highly durable UV cured finish
- Seats and backs use environmentally responsible foam that is 25% plant-based
- All wood is FSC certified
- Spec’s innovative seat shells are made of 100% recycled plastic of which 55% is post consumer
- Fabrics and vinyls with minimal environmental impact are available
- The Cooper Series helps achieve LEED credits
