**Mental Health
Solutions**

Intensive Use Seating and Tables

Working with leading mental health facilities, Spec developed Heavy Duty seating and tables to meet the demanding requirements of this unique environment. Don't see what you're looking for? Spec takes pride in customizing products to meet the specific needs of your facility.

Bariatric
30" wide, load tested to 750 lbs

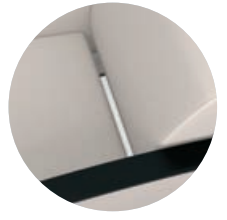

Square Table
With concealed weight and tamperproof fasteners

Two Seater
52" wide, load tested to 500 lbs per seat

Dignity

Designed specifically for mental health applications, Dignity meets the challenge while offering a calming residential feel and appearance.

Polyurethane perimeter arms available in Deep Taupe (RAL 7006) or Black

Separate seat and back

Dignity Features

- Standard with separate seat and back for easy cleaning
- All areas are fully enclosed to prevent concealment of objects
- Can be customized to eliminate cleaning area
- Weighted to reduce ease of movement
- Ability to add additional hidden weight
- Heavy duty inner steel frame
- No protruding legs or hardware
- Tamperproof fastenings
- Glides are secured into place
- Floor mounting glides are available
- Side panels, back cover and seat are replaceable
- Molded polyurethane arms are durable and soft to the touch

Laminate or upholstered side panels. Inside and outside side panels can match or contrast

Round Table

With concealed weight and tamperproof fasteners

Three Seater

75" wide, load tested to 500 lbs per seat

Companion HD Highback
Available with black polyurethane
or steel arms

Companion Heavy Duty

This highly successful line, designed to appeal in a tough category, has been strengthened to meet even tougher requirements.

2000 Series HD
Separate Seat and Back

2000 Series HD
One Piece Seat and Back

Companion HD Medium Back

Snowball 2 HD Armless, Sled Base
An excellent choice for dining areas

1000 Series HD and 2000 Series HD

Fully welded frames on sled bases, with curved arms if needed, ensure these durable series are ideal for mental health applications.

Weighted Disc Base
30 inch round HD table

Weighted Trumpet Base
30 inch round HD table

Weighted Trumpet Base 48 inch
round HD lounge height table

1000 Series Dining Chair HD
Available with or without cross bracing
for optional support

Heavy Duty Standard Features and Options

Increased Weight – makes seating more difficult to pick up or throw

- All Heavy Duty products are weighted to reduce ease of movement
- Additional weight can also be added

Tamperproofing – ensures components stay in place

- One piece welded steel frames
- Tamperproof fasteners and glides
- Zipper pulls removed and secured in place

Additional Options

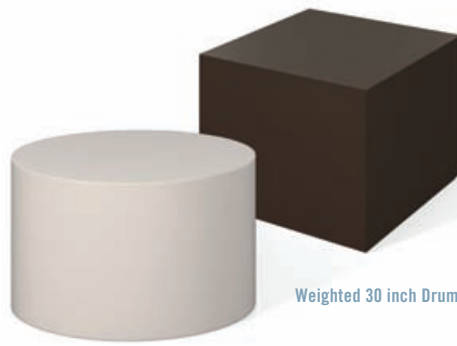

- CAL 133 Foam
- Floor mounting glides – to fix units to floor
- Extensive range of frame finishes and fabrics

Sustainability

- Spec is fully committed to “level™”, the BIFMA sustainability standard
- Steel contains a minimum of 25% recycled content and is 100% recyclable
- Frames are finished in a durable powder coat that is 99% VOC free
- Seats and backs use environmentally responsible foam that is 25% plant based
- Spec uses FSC certified wood
- Only water based adhesives are used
- Fabrics and vinyls with minimal environmental impact are available

Heavy Duty Custom Tables

Solid and attractive with limited mobility. Available in any size or shape and endless finishes.

Weighted 36 inch Cube in laminate

Weighted 30 inch Drum in laminate

Traffic Disciplined Dining

Designed to survive and thrive in the most demanding environments.
