## High Durability in a Lighter Scale

There's nothing halfway about **Midway**, Spec's high durability public seating in a lighter scale. You get the well-known Spec features, like a lifetime structural warranty – and an innovative back design that gives specifiers more choice than ever before. Midway is available in one, two and three seaters, freestanding or connected. Bariatric, Highback Patient chair, freestanding ottomans and lounge tables give Midway the maximum number of options.

**Bariatric Seating**

Midway Bariatric is available with a 30" wide seat and is dynamic load tested to 750 lbs. It can be specified as freestanding or connected to any other Midway configuration.

# Sustainability

- Spec is fully committed to “level™”, the BIFMA sustainability standard
- Midway’s frame contains a minimum of 25% recycled steel and is protected by a durable powder coat finish that is 99.9% VOC-free and fully recyclable
- Seats and backs use environmentally responsible foam that is 25% plant-based
- Wood arms are protected by Spec’s water-based, low VOC emitting, highly durable UV cured finish
- All wood is FSC certified
- Spec’s innovative seat shells are made of 100% recycled plastic of which 55% is post consumer
- Fabrics and vinyls with minimal environmental impact are available
- Midway helps achieve LEED credits

Removable headrest uses velcro strap for adjustability

Removable slip-on headrest
