

Sector Beam Public Seating

Profile Public Seating

Strong designs with infinite choice

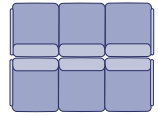

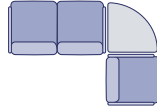

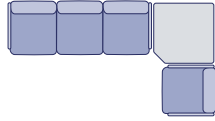

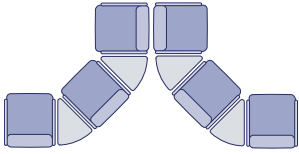

Profile and Sector Beam offer an unbeatable range of public seating solutions. Huge arrays of options, choices, price points and scales ensure our customers can select the best possible product. As always with Spec, custom orders are encouraged and Profile and Sector Beam come with our Lifetime Structural Warranty.

Two distinctive bases are available in any of our Spectone colors

Arms ensure an attractive appearance from every angle

Sector Beam Public Seating

Beautifully dependable

With Spec's attention to detail, you'll see this hard-working product in public areas across North America – for years to come. Sector Beam accommodates an unlimited range of configurations and readily adapts to any layout. Floors are easily accessible for maintenance staff and zipper removable covers are standard.

Two distinctive bases
are available with endless
color choices

1201B - Single seat

1201BS - Single seat, separate seat and back

1222B - Two seater, full arm to the floor

1212BS - Two seater, half arm, separate seat and back

Profile Public Seating

Freedom for tight spaces and tight budgets

The 19" seat width is ideal where space is at a premium and budget is paramount. Available as one piece seat or separate seat and back; and as one, two or three seaters, freestanding or connected. Profile can be specified to meet the space constraints of virtually any layout. Other options include the full range of Spectone colors and half or full arm to the floor.
