Elegance Meets Function

The Trius Base Collection combines elegance with flexibility, efficiency and function.

Trius supports a wide variety of top sizes and applications, always adding an exclusive upscale appeal . T, C, V, X, 4X and Double Column T base designs make it easy to maintain design continuity.

Set-up, reconfiguring, nesting and folding are simple with Trius.

Extensive options include mobility, folding and the new Flip6 ultra thin flip top mechanism, allowing specifiers to take Trius from training and conference room to cafeteria and boardroom.

Flip6 brings them together

Combine the newly designed Flip6 ultra thin flip top mechanism with the T, C or V base for the tightest nesting option available - less than 6 inches between tables!
